**FOR: METHOD AND APPARATUS FOR PROVIDING INVENTORY CONTROL OF

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the USPTO Notice to File Missing Parts of Nonprovisional Application mailed on June 29, 2001 for the above referenced patent application, Applicant encloses herein a signed Declaration and Power of Attorney and substitute drawings with corrected margins.

Applicant notes, however, the following errors in the Notice.

The Notice states that the basic filing fee of \$355.00 is missing, and that the Applicant must file a small entity statement in order to claim small entity status. Applicant urges that the Fee Transmittal filed with the Request for Continuation Application and Petition For Revival of an Application for Patent Abandoned Unintentionally, filed on May 1, 2001, authorized the Commissioner to charge the basic filing fee of \$355.00, along with Petition fee of \$620.00 under 37 C.F.R. 1.17(m), to Greenberg Traurig Deposit Account No. 50-1561. A copy of the Fee Transmittal is enclosed with this Response. Thus, since the Commissioner has already been authorized to charge the current basic filing fee of \$355.00 to the Greenberg Traurig Deposit Account, Applicant urges that the basic filing fee is not missing.

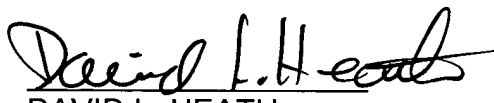

In addition, under 37 C.F.R. 1.27(c)(3), Applicant can assert small entity status by simply paying the small entity fees. A separate statement asserting small entity status is no longer necessary, contrary to what is stated in the Notice.

However, since an oath or declaration was not included with Applicant's May 1, 2001, Petition For Revival and Request For Continuation Application, the Commissioner is authorized to charge the late fee of \$65.00 as set forth in 37 C.F.R. 1.16(e) to the Greenberg Traurig Deposit Account 50-1561.

Respectfully submitted,
